
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-486-3524. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. You can view the Glossary at www.local4funds.org or www.healthcare.gov/sbc-glossary or call 1-800-486-3524 for a copy. This [plan](#) is a “grandfathered health plan” under the Affordable Care Act. | Important Questions | Answers | Why This Matters: |
|---------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| What is the overall deductible ? | In-Network : \$200 Individual/\$400 Family per calendar year. Out-of-Network : \$300 Individual/\$600 Family per calendar year. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. If you have other family members on the plan , each family member must meet their own individual deductible until the overall family deductible is met. |
| Are there services covered before you meet your deductible ? | Yes. The calendar-year deductible does not apply to services that are subject to a copay or covered at no cost to you. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copay may still apply. For example, a physician office visit will be covered at a \$10 copay even if you haven't met the deductible amount. Further, this plan covers certain preventive services , such as a routine physical, without cost sharing before you meet your deductible . |
| Are there other deductibles for specific services? | No. | Generally, you must pay all of the costs from providers up to the deductible amount before this plan begins to pay. |
| What is the out-of-pocket limit for this plan ? | \$5,000 Individual/Family, per calendar year. | The out-of-pocket limit is the most you could pay in a calendar year for covered services. If your spouse or other dependents are in the plan , your obligation to pay ends when the overall family out-of-pocket limit has been met. |
| What is not included in the out-of-pocket limit ? | Premiums , balance-billing charges , and health care that this plan doesn't cover. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . |
| Will you pay less if you use a network provider ? | Yes. For a list of network providers , call 1-800-810-2583 or see www.bluecrossma.com . | The plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between its charge and what the plan pays (balance billing). Be aware, your network provider may use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. |
| Do you need a referral to see a specialist ? | No. | You can see the specialist of your choice without a referral . |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
