
 The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-888-486-3524. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
What is the overall <a href="#">deductible</a> ?	<a href="#">In-Network</a> : \$200 Individual/\$400 Family per calendar year. <a href="#">Out-of-Network</a> : \$300 Individual/\$600 Family per calendar year.	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the overall family <a href="#">deductible</a> is met.
Are there services covered before you meet your <a href="#">deductible</a> ?	Yes. The calendar-year <a href="#">deductible</a> does not apply to services that are subject to a <a href="#">copay</a> or covered at no cost to you.	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copay</a> may still apply. For example, a physician office visit will be covered at a \$10 <a href="#">copay</a> even if you haven't met the <a href="#">deductible</a> amount. Further, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> , such as a routine physical, without <a href="#">cost sharing</a> before you meet your <a href="#">deductible</a> .
Are there other <a href="#">deductibles</a> for specific services?	Yes. \$250 Individual/\$500 Family for Prescription Drugs.	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay.
What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ?	\$5,000 Individual/Family, per calendar year.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a calendar year for covered services. If your spouse or other dependents are in the <a href="#">plan</a> , your obligation to pay ends when the overall family <a href="#">out-of-pocket limit</a> has been met.
What is not included in the <a href="#">out-of-pocket limit</a> ?	<a href="#">Premiums</a> , prescription <a href="#">copays</a> , prescription <a href="#">deductible</a> , <a href="#">balance-billing charges</a> , and health care that this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. For a list of <a href="#">network providers</a> , call 1-800-810-2583 or see <a href="http://www.bluecrossma.com">www.bluecrossma.com</a> .	The <a href="#">plan</a> uses a provider <a href="#">network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a provider for the difference between its charge and what the <a href="#">plan</a> pays ( <a href="#">balance-billing</a> ). Be aware, your <a href="#">network provider</a> may use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	No.	You can see the <a href="#">specialist</a> of your choice without a <a href="#">referral</a> .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
