How do I receive services from a provider in the network?

- Identify yourself as a Davis Vision and International Union of Operating Engineers Local 4 Health & Welfare Fund participant or dependent.

When will I receive my eyewear?

Generally, your eyewear will be delivered to your provider from the laboratory within five business days. More delivery time may be needed when out-of-stock frames, anti-reflective coating, specialized prescriptions or a participating provider's frame is selected.

What about out-of-network provider benefits?

You may receive services from an out-of-network provider, although you will receive the greatest value and maximize your benefit dollars if you select a provider who participates in the network. If you choose an out-of-network provider, you must pay the provider directly for all charges and then submit a claim for reimbursement to:

Vision Care Processing Unit
P.O. Box 1525
Latham, NY 12110

Only one claim per service may be submitted for reimbursement each benefit cycle. To request claim forms, please visit the Davis Vision website at www.davisvision.com or call **1.800.999.5431**.

May I purchase additional eyecare services?

You may purchase additional eyewear at significant discounts through the Davis Vision Value Advantage Program, available only at Davis Vision participating network providers. To take advantage of this program and pre-purchase services at any time, simply call 1-800-999-5431. A Member Service Representative will discuss payment options with you, which includes VISA, MasterCard, personal check, or money order.

May I use the benefit at different times?

To maintain continuity of care, we recommend that all available services be obtained at one time from either a network or an out-of-network provider. You may "split" the benefit if you wish by receiving your eye examination at one time (or location) and materials at another time (or location). Safety eyewear must be obtained by a participating provider.
